

Henley Kids Fun Triathlon

From the pool to the main arena

Cycle Transition 1 (CT1) Information

- ❖ Leaving the pool, there will be a short run (approximately 5m) into CT1, one parent (with a security wrist band) will be allowed into CT1 with their child to help them get ready for the cycle section of their triathlon.
- ❖ **IMPORTANT** - Any bags left in CT1 will be transported to the event arena & to the bag collection area.
- ❖ The children will mount their bikes as they leave CT1, they will cycle through the school grounds (**there will be no moving traffic in this area**) towards the main field arena and their cycle course.
- ❖ See other maps on the Henley Kids web pages for full bike & run course plus distances.
- ❖ **Note New Pool distances:** Visit UKtriathlon.co.uk for all the new kids distances

Cycling from Cycle Transition 1 to the main arena & the bike course

- ❖ The children will cycle through the school grounds, this section will be free of traffic & there will be marshals situated throughout this part of the cycle course.
- ❖ **IMPORTANT!** Parents/guardians, who are wearing a wristband, are allowed into both cycle transition areas to help their children set up.
