Sign up for Versus Arthritis

There are 10 million people in the UK suffering from arthritis, including 15,000 children.

By joining Team A you will be helping to raise awareness and important funds to continue our world-class research for better diagnosis, treatment and ultimately a cure for all forms of arthritis.

Why choose Versus Arthritis

Together we're stronger. With your time, energy and generosity, we'll continue to develop breakthrough treatments, campaign relentlessly for arthritis to be seen as a priority, challenge how people see arthritis and ensure that everyone has access to the best information, advice and support they need, whenever they need it.

“We couldn't do what we do without your amazing support “

Creating change

There are too many people with arthritis who are living in pain without access to good enough care or treatment.

That's why we are bringing together researchers from across the world, funding them to develop more and better treatments.

And we are working with healthcare professionals in their development so that they can support people with arthritis.

“Join us and we can do more to support people with arthritis.”

We need your help

Too many people accept the daily pain, fatigue and isolation that arthritis causes. Too many dismiss it as 'just a bit of arthritis'.

But we don't accept it.
